

Youngest child of Mr. Floyd Foster, aged 10 months.

Died suddenly, at Unionville, on the 27th of July, Mr. WILLIAM YERKS, aged 55 years. The deceased was highly esteemed, by all who knew him, for his strict integrity, and for the ornament of a meek and quiet spirit, which he possessed in an eminent degree. For many years Mr. Y. was a constant member of the Reformed Dutch Church of Unionville. His departure was peaceful, and his sorrowing friends are supported by the cheering assurance that to him death has been eternal gain.
